In the Classroom

In reading we have been previewing the letters in the alphabet and learning about the Alpha Friends that go along with each letter. We worked with rhyming words and talked about the sounds we hear at the beginning of words. Over the next month we are going to focus on the letters S, M, and R. We are also going to learn how to read and write our first 'Word Wall' words. We will be putting the words I, SEE, MY, MOM and THE onto our word wall.

In math we have been working with sorting objects and making patterns. We will be moving on to learning how to count, read, and write numbers 0-5.
