

Classroom Times

Teacher: Mrs. Day - Room 106

Date: Monday, October 8, 2007

Fall Into Kindergarten

In reading and writing we have been working with the words "I" and "see". We practiced reading them and using them to make sentences. We have also been reading and writing our color words.

In math we continued to practice counting, with a focus on the numbers zero through five.

In science we started our unit on drug safety. We began by naming trusted adults in our lives, and discussing medicine safety.

On Friday, October 5th we had our very first field trip! We went all the way to Seward, NE for the Plum Creek Literacy Festival. We met Laura Numeroff, author of "If You Give a Mouse a Cookie", and we participated in some hands-on activities. It was a successful first field trip. A special thanks to the parent volunteers that came with us!

Homework

You get to practice counting and writing at home this week! I want you to count things around your house (beds, televisions, cups, chairs, and anything else) and then write sentences about them. Your sentence should look like this: I see 4 beds. Please write at least five of these sentences. Don't forget your punctuation! You should know about the words I and see, but see how many other words you can sound out. Try using "turtle talk".

Remember to turn your homework in to Mrs. Day by Friday of this week!

Reminders

There is no school the week of October 22-26, and there is an early dismissal at 2:20pm on Tuesday, October 30.

Even though Halloween is on a regular school day Lakeview does not permit the students to wear their costumes to school.

Check out the new book orders!

Moving Right Along...

Over the next few weeks we are going to focus on the sounds of the letters t, b, and n. We are also going to learn the new words "my", "mom", "dad", "like", "no", "yes".

In math we are going to keep on counting! We will be writing, reading, and counting numbers up to ten.

As we finish our unit on drug safety we are going to discuss the effects of tobacco, how to say "NO!" to drugs, and how to detect household poisons.

~*Stars of the Week*~

October 8-12 Donnea

October 15-19 Chyler

October 29-November 2 Kylie

November 5-9 Jaxon

I will send home a form when your child is star of the week
