

Dear Students and Families,

Welcome to kindergarten! I'm excited about the opportunity to get to know you, and I'm looking forward to a happy and productive school year.

My name is Trisha Tylick (Mrs. Tylick) and I have just moved to Lincoln from Boston, Massachusetts. My husband's new job at BNSF has brought us to your great state. I grew up in Upstate New York and moved to Boston to study Elementary Education and Math/Science at Wheelock College. This is my fourth year teaching kindergarten and I am very excited to be here at Lakeview.

Open House is on Thursday, August 16, 2007 from 6:00PM - 7:00PM. Open House will be a time to become acclimated with our classroom as well as hand in important forms. On Tuesday, September 4 you will get a chance to learn more details about kindergarten at Back to School Night. I will discuss our classroom routines, rules, curriculum, and you will have a chance to try some hands on activities. Back to School Night will be in two sessions. You may come to either session; the first is from 5:00- 5:45 and the second is from 5:50-6:30.

I am excited about the journey ahead of us.

Mrs. Tylick

Students,

We have a few fish in our classroom and they need names. Be thinking of your best fishy names. We will take a vote when school begins.
