Mrs. Tylick's Class

January 7, 2008

## Conferences

It is report card and conference time! Conferences will be held on January 30<sup>th</sup> & 31<sup>st</sup> between 4:00pm and 7:00pm. There is a conferences sign up sheet outside the office. If you are unable to make it to school to sign up please e-mail me and I can let you know the time slots that are still available. Also if you have forgotten your time I can check it for you.

## Science Fair

On Thursday, January 17, 2008 at 7:00 p.m. in Mrs. Heil's room (109), there will be an informational meeting about Lakeview's 2008 Science Fair. The Science Fair is open for students in grades K-5, and will be held in early March. This meeting will offer information about how to help your child with finding a question or topic of study, how to complete the experiment/demonstration, where to go to find ideas, what the judges will be looking for, how to put together a winning display, and much more. The science fair experience is exciting, doesn't have to cost a lot, and offers an unmatched educational opportunity for your child. You will not want to miss it!

## Body Basics

In science we are going to be focusing on the human body and how it works. We will discuss the skeletal system, and other organs such as the heart and lungs. We will also talk about how to keep our bodies safe.

**For a project we need to collect tubes.**

Paper towel tubes

Toilet paper tubes

Wrapping paper tubes

We will be using them to make a model of a bone.

## High Frequency Words

Here is a list of the high frequency words that we have learned in class and should be mastered.

I	and
see	go
my	can
like	is
a	you
to	the
at	
mom	
dad	

Feeling comfortable with these words will make your child a better reader and writer.

## SUPER!!

It is so exciting to say that our class has made the letter recognition goal of 90%. We worked really hard to learn all those letters and are excited to share our victory. Of course what we really would be really great is 100%, so we continue to work with those who need our help.

**Great work kindergarten!**
